**RITACCA LASER & COSMETIC SURGERY INTRODUCE NEW PAIN-FREE,  
LEADING LASER IN HAIR REMOVAL**

**Vernon Hills, IL** (April 6, 2011) – Ritacca Laser & Cosmetic Surgery Center now offer the latest and most comfortable technology in laser hair removal; Alma Laser- Soprano XLi. The Soprano *Pain-Free, Hair-Free* laser permanently and effectively reduces hair growth on any body part and most skin types. Ritacca Laser & Cosmetic Surgery Center specializes in cosmetic surgery and non-surgical aesthetic treatments to repair, improve or transform your face and body safely and effectively.

Ritacca Laser & Cosmetic Surgery Center was the first facility in Illinois to perform FDA-approved permanent reduction laser hair removal treatments. While performing laser hair removal treatments, a physician is onsite at all times during your treatment to ensure safety with every procedure at Ritacca Laser Center.

The Soprano XLi, *Pain-Free, Hair-Free* laser is state-of-the-art technology specializing in removing unwanted hair faster, more comfortable with fewer visits than ever before. Soprano XLi laser hair removal has been compared to the feeling of a hot stone massage due to the laser being in constant motion over the treated area. The new Soprano XLi is suitable for all skin types, including tanned skin.

In addition to the new laser, Ritacca Laser & Cosmetic Surgery Center offers other laser hair removal technologies to effectively treat all patients including the Yag and the GentleLASE for all skin types and hair types. Laser hair removal is ideal for any individual looking to minimize hair or permanently reduce hair growth in selected areas. Pregnant or nursing women are not candidates of laser hair removal.

The Ritacca Laser & Cosmetic Surgery Center serves as a multi-disciplinary foundation and takes a responsible approach to patient education regarding the vast range of elective procedures available today including; laser hair removal, photofacials, chemical peels, BOTOX®, fillers, Artefill, Ulthera and more. Our use of state-of-the-art lasers, individualized surgical solutions, and the safest medical techniques gives us a leading edge in providing total patient satisfaction and a total commitment toward excellence.

The Ritacca Laser Center is comprised with over 50 years of board-certified education and talent in multi-specialty areas of cosmetic and medical surgery. Our plastic surgeons specialize in the latest in plastic surgery including; breast augmentation, liposuction, fat transfer, blepharoplasty, tummy tucks and more. For more information on our services, please view our website at [www.ritaccalasercenter.com](http://www.ritaccalasercenter.com).

We service the northwest suburbs of Illinois including; Vernon Hills, Libertyville, Lake Forest, Deerfield, Highland Park and Chicago. We always offer free consultations.
